Nets

badminton

“Harrod UK are the official supplier of Badminton Posts and Nets to BADMINTON England. They were fully involved in all aspects of the Commonwealth Games in Manchester, providing first class equipment for training and competition venues. Harrod UK provide a range suitable for all venues and levels of competition either in a permanent situation or as a wheelaway product for sportshalls. The equipment is of the highest quality, conforming to Badminton World Federation regulations and is used at numerous BADMINTON England championships throughout the year.”

Fiona Young Commercial Director, BADMINTON England

Official post and net suppliers to BADMINTON England, our posts are used in top venues such as the National Badminton Centre and the National Institute of Sport.

These freestanding posts are ideal for sports halls where ground sockets are not possible.

Premier Competition Posts

Improved specification

- 40mm dia heavy duty aluminium uprights with 5mm wall
- Easy to use quick release clam cleats allow exact net height to be achieved for competition use
- Each heavy duty wheelaway base weighs 72kg
- Uprights and base are polyester powder coated blue
- Individual velcro net ties ensure net is held firmly to the uprights as per BS EN 1509
- 125mm diameter rubber wheels will not mark or damage floor
- Foam filled PVC base protectors with velcro fastening
- Uprights and bases do not protrude into court area

Recommended net BAD-015

164kg per set

BAD-021

**CONFORMS TO
BS EN 1509:2008**

**Recommended by

Wheelaway Club Training Posts

Improved specification

- 40mm steel uprights complete with cleats and grooved top
- The 'H' shaped bases have built-in weight and are fitted with rubber pads for floor protection
- Wide double wheels are housed in extra strong fabricated brackets and will not mark or dent floors
- Offset wheels allow you to maximise space between courts whilst still conforming to required safety standard
- Netting can be drawn very tight without movement of the upright and base (19kg)
- Posts are attached to the base with a spring clip mechanism and can be easily detached for storage
- Uprights can be supplied welded to the base at extra cost
- Polyester powder coated blue
- Uprights and bases do not protrude into court area

Recommended net BAD-003

46.5kg per set

BAD-032
